DynamiteWater Dynamite Water LLC

Dynamite Water, LLC is a locally owned and operated company formed in 2006 to provide potable water to the Rio Verde Foothills and surrounding communities. We are AZDOT inspected and certified by the Maricopa County Environmental Services Department.

Our company solely uses food grade hoses and water is hauled in stainless steel tanker trucks. Dynamite Water not only delivers fresh, pure, potable water to your home but we also offer the following services:

Fill swimming pools

Spray pads

Spray down arenas

Fill water tanks

Supply potable water to emergency crews

Supply water to construction sites

Water trailer rental

New septic fill service
